Room and Board

Many people ask us if we have rooms. The answer is yes! We do. In fact, we have ten of them, and they all have just about the same view that you have right now. The Mountain Home Inn is known all over the world for its fabulous views, scenic location, and rustic charm. We host many guests from abroad, as well as many bay area locals, who spend one or two nights for a birthday, anniversary, or just a romantic getaway. Our rooms vary in style and size, some sporting such amenities as a canopy bed, Jacuzzi bathtubs, and wood-burning fireplaces. Others remain simple. The one characteristic that all of our rooms have is this fabulous view. It brings our guests back again and again.

The staff of the Mountain Home Inn strives to provide a quality of service that does justice to this wonderful location, whether it is hosting a wedding, serving meals, or adapting to the needs of our guests. If you would like more information about our accommodations, please pick up a tariff card on your way out of the restaurant. They can be found on the small table across from the bar. Also, any information about the inn and its activities can be found on our website at www.mtnhomeinn.com. Thank you for dining with us today.

Sincerely,

The Staff of the Mountain Home Inn
